

# ICEPAG 2019 Microgrid Global Summit

The Pathway to Electrification: The Smart Grid | Electricity | Mobility

March 26, 27, 28, 2019 | UC Irvine

International Colloquium on Environmentally Preferred Advanced Generation (ICEPAG)

To submit an application for presenting at ICEPAG 2019: Download the PDF Application and save to your computer; 2) Complete the form and save; 3) Click the SUBMIT button at the bottom of your saved PDF. This will email your attached application to wmg@apep.uci.edu; 4) Submit on or before Monday, January 28, 2019.

## Application Form to Present

Presenter First Middle Last

Co-Presenter 1 First Middle Last

Co-Presenter 2 First Middle Last

Affiliation Name

Street Address

City State Zip Country

Phone Email

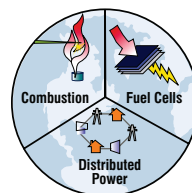

Presentation Title

- Topic (Check One)
- New and Emerging Microgrids
  - Powering Microgrids
  - Microgrids: Air Quality and Carbon Impacts
  - Microgrids: Meeting Fire Storms and Extreme Weather Events
  - Microgrids: Economics
  - Microgrids: Role in Utility Grid
  - Microgrids: Demand Response and Load Management
  - Microgrids: Resilient Communities
  - Microgrids: Control
  - Other \_\_\_\_\_

## ABSTRACT 300 WORDS OR LESS
